AMMONS CHARGED WITH THEFT FIRST-DEGREE

County funds missing - female employee arrested

By Marvin McIlwain
Elba Clipper Editor

At approximately 1:30 p.m. on Friday, October 26, Marilyn Ammons, age 48, a clerk in the Coffee County Commission office in Elba was arrested and charged with theft in the first-degree. The arrest is in connection with the discovery of missing funds belonging to Coffee County.

Mrs. Ammons, who lives in New Brockton, turned herself into the authorities at the Enterprise Police Department after a warrant for her arrest was issued earlier in the day by Coffee County Circuit Clerk Jim Ellis.

A joint news conference was called at 2:00 p.m. Friday by Joel M. Folmar, District Attorney, 12th Judicial Circuit, and Billy Egerton, Chairman of the Coffee County

Commission, to inform the news media of the details surrounding Mrs. Ammons' arrest. Also joining Egerton and Folmar in the news conference was County Administrator Wilson Mobley.

Folmar stated that on Thursday, October 25, 1990, Commission Chairman Billy Egerton and County Attorney Warren Rowe notified his office in reference to missing county funds.

Both Egerton and Rowe stated that the district attorney's office was notified within a few hours after the discovery was made. Rowe said, "In less than 24 hours, law enforcement agencies were aware of the apparent theft of county funds."

Preliminary investigation revealed that monies had apparently been taken from the Coffee County General Fund. The exact amount of monies taken has not been deter-

mined at the present time.

An audit by the Alabama Department of Public Examiners is now in progress to determine the exact amount of money that has been taken. All thirty-one county funds, including the general fund, will be audited.

According to Egerton, Mrs. Ammons was suspended immediately after the missing funds were discovered. She had been employed as a clerk in the commission office for approximately 13 years.

Chairman Egerton said, "I would say to the public, I do promise that I'll do everything within my power to see that these funds are replaced."

"Myself or our office personnel will not have any other comment to make on this until the investigation is complete and until the public examiners complete their assignment," Egerton said.

Joining the D.A.'s office in the investigation is the Alabama Bureau of Investigation and the Department of Public Examiners.

According to Folmar, theft in the first-degree is a class B felony which carries a minimum sentence of two years and a maximum sentence of twenty years.

The amount of money taken has to exceed \$1,000.00 for the crime to be classified as theft in the first-degree.

Mrs. Ammons was released from custody after posting a \$20,000 appearance bond.

According to Coffee County Sheriff Brice Paul, Chief Deputy Buddy Ammons has been suspended from duty with pay pending further investigation. Buddy is the husband of Marilyn Ammons. Sheriff Paul said, "This should be considered as standard procedure."

District Attorney Folmar stated that further details will be released as soon as they can be made available. "We cannot comment on the facts involved in an on-going criminal investigation," said Folmar.

CHARGE EXPLAINED... District Attorney Joel Folmar (right) and Coffee County Commission Chairman Billy Egerton (left) explained the charge that has been made against Marilyn Ammons and the events that led up to her arrest on Friday afternoon.

1978 MAIL FRAUD CONVICTION BASIS FOR SUIT

Lawsuit filed against Foshee

By Marvin McIlwain
Elba Clipper Editor

Last Tuesday at noon, a news conference was held at the Republican Campaign Headquarters in Enterprise, Alabama.

Dwight Adams, Chairman of the Coffee County Republican Party announced that Senator E. C. "Crum" Foshee was being sued by Roy G. Hilton. Hilton is a resident of Coffee County and also holds the position of Vice-Chairman of the Coffee County Republican Party.

The lawsuit contests the legality of Foshee to hold the office of Senator for Alabama Senatorial District 31.

"This action is taken," said Adams, "on behalf of all Republicans and all Democrats and Independents that are interested in better government."

The rather lengthy complaint accuses Foshee of having usurped, intruded into and unlawfully holding without warrant or authority of law the office of Senator for Alabama Senatorial District 31, and claims to be clothed with the powers and privileges of said public office and is exercising the powers and functions thereof.

Foshee's conviction in U. S. District Court of the felony crime of Mail Fraud on November 9, 1978, the affirmation of the conviction by the U. S. Fifth Circuit Court of Appeals on November 8, 1979, and the sentencing of Foshee to a term of eighteen months in prison were all brought out in the complaint.

The suit contends that upon his conviction and sentence for the infamous crime of Mail Fraud, Foshee became ineligible and disqualified from holding the public office of Senator in the Legislature of the State of Alabama, or any other public office.

Although Foshee received a pardon and Paroles for the criminal conviction, the suit contends that the pardon did not legally restore the civil or political right of the defendant, Senator Foshee, to hold any public office.

The complaint sights the case of Charlie W. Thompson vs. Randolph County as grounds for the suit.

During the October Term in 1986-87, the above case was reviewed by the Supreme Court of Alabama and the lower court's ruling was upheld.

MEET THE PRESS... Roy Hilton (left) and Dwight Adams (right) answer questions concerning the lawsuit contesting Foshee's right to the office of State Senator or any other public office.

In the above mentioned case, Thompson was convicted of voting fraud and ruled ineligible to hold the office of superintending sheriff. On July 1, 1981, Thompson was pardoned for his crime, but was not allowed to hold office. The pardon was later revoked.

In its ruling, the Supreme Court cited Section 60 of the Constitution of Alabama 1901 which says: "No person convicted of embezzlement of the public money, bribery, perjury, or other infamous crime, shall be eligible of holding any office of trust or profit in this state."

Also, in its ruling the Court stated that, "A pardon cannot wipe out the historical fact of a conviction, and as appropriately stated by the court, it involves forgiveness, and not forgetfulness."

Adams commented that "the acceptance of a pardon is an implied acknowledgment of guilt!"

The complaint asks the court that Foshee be barred from holding or exercising the public office of State Senator and that he be ousted from the said office.

When asked why it had taken so long for this (Foshee's conviction) to become an issue, Hilton responded,

"Apathy, everybody likes to complain, but nobody is willing to take a stand."

Adams stated that the precedence set by the case of Thompson vs. Randolph County had only been known about by he and Hilton for approximately two weeks. The decision was made at that time to pursue the lawsuit against Foshee.

The case, No. CV-90-2179, was filed today in Montgomery County Circuit Court on the behalf of the Plaintiff by James D. Farmer, a Dothan attorney.

Adams said that the plaintiff's lawsuit against Foshee has the backing of the county and state Republican Party organizations.

State Senator Foshee was contacted concerning the lawsuit while on a speaking engagement in Atmore, Alabama.

"I have researched the issue and found the charges groundless," Foshee stated. "My opponent realizes he is defeated and he will try anything to win."

"According to my attorney," said Foshee, "he has no possibility of winning this lawsuit."

Dickinson responds to ads

NOTICE

DON'T FORGET TO VOTE. A general election will be contested on Tuesday, November 6, 1990. Exercise the right for which men and women have died to protect and GO VOTE!!

DIAL 911 FOR EMERGENCY... Elba Police Chief Freddie Hanchey asked that all police, fire and rescue emergencies be reported to the police department by dialing 911. **THIS LINE IS FOR EMERGENCIES ONLY!!!!**

U. S. Congressman Bill Dickinson responded to TV ads by his opponent, Democrat Faye Baggiano, indicating he has had trouble with the Ethics Committee. This week Dickinson released a letter from the committee indicating "it has never made an inquiry into his personal conduct and no complaint against him was ever received."

The letter continued with, "The committee has not received a complaint against you. Moreover, no preliminary inquiry or formal investigation has been undertaken by this committee with regard to any allegations of improper conduct involving you."

Dickinson was apparently knowledgeable of the feelings of the voters because he also released a statement assuring the voters he voted against the deficit reduction bill just passed by the U. S. Congress.

This is a tax package that puts little restraint on spending, and increases revenues by raising various taxes. Its effect on the elderly, vete-

rans, and every American is not warranted," Dickinson said.

Also released by Dickinson was copies of a 1986 letter from Baggiano praising Dickinson and with a handwritten note reading "Alabama is lucky to have you!"

HORNSBY SPEAKS

CCDHR is honored

By Marvin McIlwain
Elba Clipper Editor

The third annual Coffee County Department of Human Resources Employees Appreciation Luncheon was held at the Enterprise Civic Center on Thursday, October 25, 1990.

After the luncheon, Fred Donaldson, Coffee County's DHR Board Chairman, welcomed the guests and introduced DHR Director Ron Smith.

Smith stated that the tasks of the DHR could not be accomplished without the diligent work of the employees and the co-operation of other county and city agencies.

"Working together makes it a success," said Smith.

City and county governments, law enforcement agencies, and other

FIVE ALTERNATES IN BIDDING PROCESS

E.C.S.B. delays contractor selection

by FERRIN COX
Publisher

The Elba City School Board delayed action on selecting a contractor for the new school park after the four bids received were all above the available amount of funds and the time for completion went past the time desired by board members.

The board will meet again on Tuesday, November 6 to try to select a prime contractor.

When voting to table action on the matter, board members instructed the architects to get estimates on how the cost could be cut without giving up quality. They insisted they wanted more information before casting a vote to select a contractor.

This matter is complicated somewhat by the fact the bidders bid on a dollar price but plans are not complete. This is just a starting price, explained Superintendent Charles Pearce and the selected contractor will work with the architects as the plans progress to bring down the cost to within budget.

Board members were instructed they were in the position of selecting one contractor, based on the base bid alone. Since the bids exceeded the budget, they can only consider the base bid and not any of the alternates.

Bear Brothers Construction and Ray Sumlin Construction, both of

the other bidders were Hoar Construction, of Mobile and Hollis & Spann, of Dothan.

There were five alternates in the bidding process. The cost for these alternates were in addition to the base bid. The alternates were:

1. Finishing of Auditorium
2. Football Stadium
3. Baseball Stadium
4. Bus Garage
5. 420 Day Construction Time

If all five alternates were added to the contract price without any changes, the bid of Bear becomes \$19,056,000 and Sumlin's is \$19,316,000. Even if state law allowed considering the bid with alternates added in, these two contractors would still be the low bidders.

Board Chairman G. A. Lindsey said upon learning the base bid didn't include the completion of the high school auditorium "People have said we don't know what we are doing and there may be some basis for that". He added, "We don't want anything up there half done and I don't know about the rest of this board, but as far as I am concerned we are going to complete the auditorium and anything else we start."

Board member Billy Farris expressed frustrations with the extended completion time and said "We are no better off with this 'fast track'. It is still going to take us 2 1/2 years to complete the buildings." Farris also expressed concern that vital parts of

seconded by Myrna Rhoades to accept the low bid of Bear Brothers. Shirley Belcher and Billy Farris voted no and Chairman Lindsey broke the tie by voting with the no's. Lindsey repeated the statements of most of the board members that they needed more information to cast an informed vote on the selection of a contractor. They also wanted to know exactly how much money was available for the project.

The board acknowledged during discussions that the time factor was no longer an issue, as none of the bidders indicated a completion date as had been desired by the board. School officials indicated that an April completion date would be no better than a July date, because it would disrupt school to much to move classes in for that short time.

The motion to table any action until later was unanimous. Pearce said he had been promised by authorities in the US Department of Education that an firm answer on the amount of the federal funds would be received by Friday, November 2nd.

Pearce lead a delegation of local and state officials to Washington recently in an effort to break the log jam which was holding up a settlement on the dollar amount of the flood damages on the old school complex. Federal officials had estimated the damages to the buildings at \$1.8 million and other profession

	ALT #1	ALT #2	ALT #3	ALT #4	ALT #5
	finish auditorium	Football stadium	Baseball stadium	Bus garage	420 day const time
Bear Brothers.....	\$310,000	\$1,050,000	\$150,000	\$260,000	\$300,000
Hoar Const.....	\$363,000	\$1,164,792	\$128,000	\$219,600	
Hollis & Spann.....	\$535,000	\$1,477,000	\$100,000	\$290,000	\$400,000
Ray Sumlin.....	\$510,000	\$1,183,000	\$143,000	\$240,000	\$250,000

of Montgomery were the two low bidders, being only \$4,000 apart on their base bids. Their major difference came in the days until completion with Sumlin wanting 485 days and Bear 540 days. Neither of these completion dates would get students into either of the schools next fall even if they started construction immediately.

Bear Brothers submitted a base bid of \$16,986,000 and Ray Sumlin bid \$16,990,000.

Architect Walter McKee told board members, "This is a relatively good price. Two bidders within \$4,000 on a project this size indicates very competitive bids."

the complex were listed as alternates. He noted that board members were not aware of any of the decision making which lead to that.

Board members were told repeatedly that they were not selecting a final contractor for the project but were opening the matter to allow a contractor to work with the architects in value engineering to get the best product for the money spent. If at any point the school board decided the project wasn't going as they wanted, they could step in and cancel everything and rebid the project in the traditional manner.

Before tabling the matter, a motion was made by Bob Robinson and

al estimates ranged up to \$8 million. When the board meets November 6, they expect to know exactly how much money is in the construction fund. They also expect to have some estimates from the architects on ways to cut the cost of the project.

School board members expressed opinions that some way must be found to cut cost enough to include the basic needs and at least the first four alternates. The additional cost for the faster completion date is apparently unwarranted because now it wouldn't allow for occupation of the school buildings in time to have a major impact on the school year, except to disrupt the education process.

Azalea Garden Club Meets With Mrs. Lloyd Crook

The home of Mrs. Lloyd Crook was the setting of the October meeting of the Azalea Garden Club. Mrs. Crook was assisted by Mrs. Iva McCreary.

After the collect the President, Mrs. Jim Driscoll called the meeting to order, and asked for officer's reports. Committees: Adopt-A-Mile, Membership and Yard of the Month reported to the club. Mrs. Vivian Lee announced the Yard of the Month selection, Mr. and Mrs. Basil Whitman.

The club agreed to enter a car in the Homecoming parade. A permanent sign would be purchased to be on the car and at future events.

A memorial gift in memory of Mr. Pat O'Leary will be given.

At the conclusion of the business the club adjourned to the Reddock Hill House for a tour of the renovation of this home by Marshall Reddock. After having toured the lovely home of their hosts.

A program of wedding music was presented by Angie Pearson of Albany, vocalist; Mike Lindsey, organist; and Luke Landers, trumpet.

Serving as matron of honor was Miss Ashley Wall of Albany.

Bridesmaids were Ms. Ginger Ray of Dothan, sister of the groom; Mrs. Spencer Morgan of Millbrook, sister of the groom; Ms. Cindy Clark of Dothan, sister of the groom; Mrs. Benjamin Wells of Augusta, Ga.; Mrs. Danny Pettis of Kingston Springs, Tenn.; and Mrs. Bruce Reagan Rankin of Dothan.

Junior bridesmaids were Miss Kara Clark of Dothan, niece of the groom.

Serving as flower girl was Miss Haley Amanda Flowers of Elba, cousin of the bride.

Mr. David Eugene Gordon of Dothan served his son as best man.

Ushers/Groomsmen were: Mr. King Thornton of Atlanta; Mr. Scott Chancellor of Valdosta, Ga., brother of the bride; Mr. Bruce Reagan Rankin; Mr. Michael Marshall of Mobile; Mr. Jimmy Lewis of Dothan; Mr. Paul Massey of Augusta, Ga.; Mr. Todd Green of Dothan; Mr. Flip Spann of Dothan; and Mr. Andy Johns of Dothan.

Junior groomsmen were Brandon Ray of Dothan, nephew of the groom.

Ringbearer was Chase Clark of Dothan, nephew of the groom.

Following the ceremony, the bride's parents were host of a reception at Southside Baptist Church Reception Hall.

The groom's parents entertained wedding party with a rehearsal dinner at Ramada Inn in Dothan.

After a wedding trip to Gatlinburg, Tenn., the couple will reside in Dothan.

Miss Davis is a graduate of Samson High School and Auburn University where she received a Bachelor's degree in Home Economics Education. Then she attended Troy State University where she became a certified Elementary Education.

Miss Davis is currently employed with the Geneva County Board of Education where she is a teacher at Slocumb High School.

Mr. Eddins is a graduate of Zion Chapel High School and is currently employed at Fort Rucker.

He is the grandson of the late Mr. and Mrs. Henry Eddins of Jack and the late Mr. and Mrs. Ely Sanders of Jack.

The wedding is planned for November 10, 1990 at 3:00 p.m. at the First Assembly of God Church in Samson. All relatives and friends are invited to attend.

Seated Left To Right - Mrs. Kermit Crook, and Mrs. Stephen Bullard - honoree; Standing left to right - Mrs. Clarence Helms and Mrs. Bobby Bullard.

Miscellaneous Shower Honors Mrs. Steven Bullard

A Miscellaneous Shower was given for Mrs. Steven Bullard, Sunday afternoon, October 28th, at the home of Mrs. Clarence Helms, Jr. Mrs. Helms greeted guests before they were registered by Ms. Deborah Brown. The receiving line was composed of Mrs. Bobby Bullard, mother of the groom, and Mr. and Mrs. Stephen Bullard.

Bridal door wreaths and bouquets in mauve and ivory, the bride's colors, adorned Mrs. Helms' lovely home. The guests were served refreshments before viewing the wedding gifts.

In addition to Mrs. Helms, the shower was hosted by the following: Mrs. Elaine Semonelle, Mrs. Fern Cox, Mrs. Bob Bruckner, Mrs. Fred

Smith, Jr., Mrs. Max Bozeman, Jr., Mrs. Marion Brunson, Mrs. Jack Prescott, Mrs. Bobby Hudson, Mrs. Nelson Whitcomb, Mrs. Wayne Marler, Mrs. Terry Spicer, Mrs. Ted Vaughan, Mrs. E. D. Brazleton, Mrs. Kenneth Baker, Mrs. Charles Clark, Mrs. Danny Creel, Mrs. James Maddox, Mrs. Charles Pearce, Mrs. Charlie Hayes, Mrs. Sonny Hinnan, Mrs. Paul Stroud, and Mrs. Joe Clark.

Mr. Mason has been called the World's Smallest Gospel Singer because of his unique height of only 46 inches. His voice, however, has no comparison to his size. When he sings, his booming bass voice brings a thrill to everyone that listens.

Lowell Mason began his career at the very early age of only nine years. At that time he joined the staff of the "Children's Bible Hour" radio broadcast out of Grand Rapids, Michigan.

For seven years, he was a regular feature on that weekly radio program which was heard from coast to coast. During his teenage years, Lowell worked with various organizations called "Youth For Christ" in the United States, and with "Victorious Christian Youth" in Canada. During his Junior High and High School years, Lowell was constantly in demand for weekend and summer personal appearances.

This special program is designed to appeal to all people ages 1-100 and is open to the general public. There is no admission charge. A free will offering will be received.

Everyone is encouraged and welcome to attend.

Popcorn was one of the treats at their first Thanksgiving dinner, the first of the Indian Massasoit.

PASTOR'S CORNER

Rev. Winston Jay - Minister

Elba United Methodist Church

God, Where Are You?

The Bible is a fascinating book. It tells the story of ordinary people like you and me who are often started to find God speaking to them in strange places under strange circumstances. Like them, we often miss the Almighty God because the only place we look for Him is a church. And while it is true that God does come to church, He certainly does not stay at church all the time. God keeps showing up in some of the strangest places and at the strangest time. He is not limited in the time, place and circumstances we try to limit Him to.

In the movie, Oh, God, it was difficult for the ordinary religious institutions to believe that God could and would reveal Himself to an ordinary store clerk. But God is like that. Who would have ever guessed that the eternal Son of God would be born in a barn? Who would ever thought that our salvation would come from a crucifixion? God shows us up in some of the strangest places.

Homecoming 1990

By Kristi Ogas

Needless to say, Homecoming 90 at EHS was an experience that most of the students here will never forget. Many changes were made, but we adapted very well and the week went very smoothly. Homecoming week started with dress up days Monday through Friday. The days were as follows: Monday - Favorite College, Tuesday - Hat, Wednesday - 80's, Thursday - Safari, and Friday - Black and Gold. The students were very supportive and everyone had a good time dressing up.

Thursday night we had the traditional Homecoming Bonfire. Students met in the parking lot behind the stadium and held a candlelight walk up the crooked road to Cook Chevrolet. When we arrived, the crowd and the fire were waiting. The Varsity and Junior Varsity Cheerleaders led chants and cheers and the band played "The Fight Song," "Eye of the Tiger," and several other band cheers. The bonfire lasted about thirty minutes and everyone left looking forward to the game Friday night.

Friday afternoon, the Varsity Cheerleaders led a special forty-five minute pep rally. The pep rally began with the "Fight Song" followed by such events as: cheers performed by the Varsity and Junior Varsity Cheerleaders, dances performed by the dance line, colorguard, and majorettes, a rap performed by some of our students, a skit performed by the Varsity Cheerleaders, and a new tradition Senior Sing. Costume winners for the week were announced and presented an award. The football team presented each Varsity Cheerleader with a red rose in appreciation of their support and the pep rally was concluded with "Eye of the Tiger."

When Friday night finally arrived the stadium was packed and the crowd was ready for the evening's special event. The pre-game show began at seven o'clock with the presentation of the Homecoming Court. This year's court was: Susan Johnson - Queen, Kenya Hammond - first attendant, Tonya Bryan - second attendant, Nicole Bradley - junior attendant, Heather Stinson - sophomore attendant, Holly Stinson - freshman attendant, and Lashonda Rodgers - EHS attendant. The game followed with the kick-off at seven-thirty. The Elba Tigers roared once again and dominated the Rebels 26-7. Congratulations to the team on a winning Homecoming and thanks to everyone who helped make it a successful week!

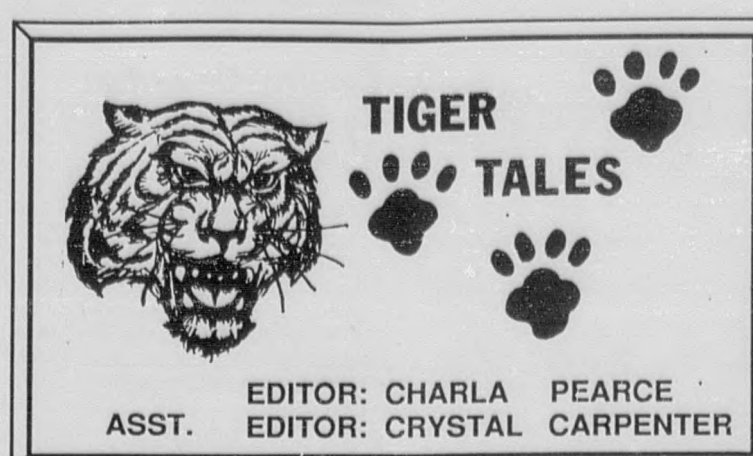

Way To Go Band!

By Joe Jacobs & Crystal Carpenter

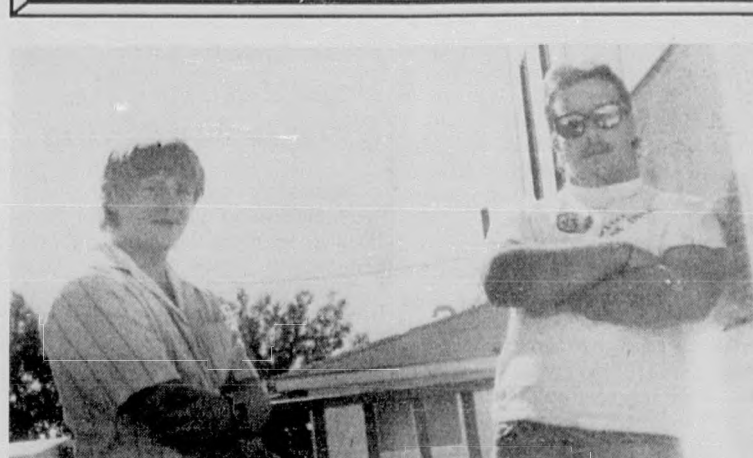

Since this summer, the Elba marching Tiger Band has been hard at work, and now the hard work has paid off. On Oct. 13th, the band traveled to Prattville to compete in the Heart of Dixie Band Festival. The band received a superior rating and also won best in class. In addition, the colorguard, drum major, and the newly formed dance line received best in class honors. Drum major, Art Williams, not only was best in class, but also received the highest score of any drum major in any of the four classes.

On Oct. 20th the band competed in the Midwest contest. The band gave an excellent performance. Art Williams also received best in class drum major honors and once again had the highest score of any drum major competing.

This band has been one of the best and more determined band Elba has had. Knowing that we put so much time, effort, emotion, and determination in a single show and being able to come out on top is wonderful! All the hard work has finally paid off. The band accomplished more than was ever expected. They pulled together and worked as one to put this band program back together and in the process became one big family and that is more than they ever dreamed of doing. Not having uniforms or the best equipment has not kept it from continuing its tradition of excellence. EHS band members are to be commended for their dedication and discipline.

Seniors of the Week

By Regina Kelley

Ronnie Jo Edwards - is an 18 year old senior. He is a member of the E Club. His hobbies include fishing, playing football for the Elba Tigers. His greatest achievement was making it to the 12th grade. His future plans include attending college and majoring in Physical Education.

Bill Bukett - is a 17 year old senior whose hobbies are mud riding and partying. Bill is a member of VICA. His achievements include winning first place in the district auto mechanics contest in the spring of 1990. Bill plans to attend a trade school after graduation where he will study auto mechanics. Good luck Bill.

Student Spotlight

By Juan Carpenter & Ronald McKinnon

Teddy Burks - is in the 10th grade and is a member of the Elba Tiger football team. His hobbies include playing football, basketball, and playing tailback for the scout offense. Teddy has been with the Tigers for 1 year and plays tailback and cornerback. His football fantasy is to win a state championship every year until he graduates. He likes to be together and overall feeling of pride and excellence in the band. Watch for Brian on Friday nights as he marches with the winning Tiger Band.

Brian Lusher - is a 17 year old senior at Elba High School. Brian has been in the band for 7 years and for 2 years has been section leader. He plays the trombone for the Marching Tiger Band. His hobbies include playing music and lifting weights. He likes to be together and overall feeling of pride and excellence in the band. Watch for Brian on Friday nights as he marches with the winning Tiger Band.

Susan Johnson - is a 17 year old senior at Elba High School. She has been a cheerleader for the past 6 years and is presently captain of the squad. Her hobbies include cheerleading, softball, spending time with her boyfriend and friends. Susan said that she has enjoyed cheering for the Tigers over the past several years. Her heroes are all her special friends. Watch out for Susan on Friday nights as she cheers her heart out for the Tigers.

Denise Flowers and **Sharon Rodgers**, seniors at Zion Chapel High School, recently attended Troy State University's "Senior Night '90".

The night's activities began with registration. After registration the group toured the University. They started the tour at the Adams Center. The group next went into Shaleford Hall, a dorm for girls, to see how they lived and the conditions of the room. They then went to Allini Hall, the boys' dorm. They got to see how the guys lived and their rooms. Next the guide talked about Clements Hall, a coed dorm. The guide then went into details about visitation hours, meal tickets, and dorm policy.

Dinner was then served in the Adams Center. After the dinner the group had a speaker who spoke on marriage, biology, and a speaker who spoke on the different types of financial aid offered at Troy State. They then had drawings for Troy State T-shirts.

The seniors closed the night with free passes to the Troy State vs. Delta State Football game.

OOOPS!!! Last week's article "Teacher of the Month" should read Mr. Sammy McGee not Mr. Jimmy McGee.

S.A.D.D. Elects Officers

By Kenya Hammond

The S. A. D. D. chapter at Elba High School is a very active club. First of all, SADD stands for Student Against Driving Drunk. Its officers are President - Kevin Dewberry, Vice President - Heather Stinson and Lashonda Rodgers, Secretary - Joe Jacobs, and Treasurer - Lashonda Rodgers. In November, SADD's chairman, Amy Baker, Promotional chairman - Kenya Hammond, Communication chairman - Heather Stinson, Program chairman - Patricia Pruitt, Historical chairman - Lashonda Rodgers.

At recent SADD meeting a contract of life was given to each member for the teenager and parent to sign. These contracts help improve family communications and acts as a support for children as they cope with peer pressure. SADD also has many plans for this year. In November there are plans to start an Elementary SADD chapter to make younger students aware of the importance of not drinking and driving. In December the SADD organization will have a booth set up at the Christmas Festival and ask that you come out and support SADD and help make Elba a safer place to live.

McGruff Poster Winners

By Donna Holcomb

The Zion Chapel Elementary classes recently celebrated McGruff's tenth birthday. McGruff is the Crime Dog. Included in the festivities were poster contests and birthday parties for McGruff held by each class in the elementary.

Grades K-3 were given a birthday card for McGruff and were asked to decorate it within a 30 minute class period. These were the first place winners from each class. The kindergarten winners were Ashley Wallace from Mrs. Jones' class and Chan Grantham from Mrs. Suley's class. The first grade winner was Danielle Richards from Mrs. Shipman's class. The second grade winners were Tessa Hall from Mrs. Session's class and Amber Shiver from Mrs. Hall's class.

Overall first, second, and third place winners were then chosen from K-3 and 4-6 out of the class winners. Grades K-3 overall winners were Jessica Kelly, first place; Jonathan Senn, second place; and Brandy McElaffey, third place. The 4-6 overall winners were Amber Shiver, first place; Chan Grantham, second place; and Michelle McIntosh, third place.

The celebration of McGruff's birthday ended as McGruff rode in Z.C.'s Homecoming Parade and attended the pep rally. At the pep rally 10 red and white balloons were released in McGruff's honor and to remind the kids to "Just Say No."

Chan Grantham and Michelle McIntosh are not pictured.

Homecoming Hostesses - Hostesses were chosen as guides for the members of the Class of 1981 at the 1990 Homecoming game. Sharon Rodgers, Denise Flowers, Angela Culver, Pam Coleman, Pam Langley, Donna Ullene, Lynette, and Marie Jackson all greeted the members as they walked through the entrance gate. The hostesses also marked off a reserved area inside the stands and kept the place of the band. Sharon Rodgers, student council President, was responsible for asking the students to be hostesses.

By Ricky Mularz

The annual Fall Festival was held last weekend in Elba and it still amazes me how quickly 25-cent tickets can add up to lots of dollars. We bought the girls \$10 worth of the little tickets when we first arrived, but after only thirty minutes of bowling, picking up darts, throwing darts, playing bingo, etc., the tickets were gone and old Dad had to dig back in his pockets for more money. I left less than an hour after arriving with Melanie, but not before leaving the rest of my money with Kathy and Melissa. Oh well, at least they still had a couple of dollars left when they made it home and everybody had fun!

ELBA TIGERS POUND 5A MONROE COUNTY FOR SIXTH WIN

The Elba Tigers traveled to Monroeville last Friday night and were supposed to be easy prey for 5A Monroe County to dispose of to finish off a happy homecoming. After all, the Tigers were just a 5A club and had been less than impressive in rolling up a 5-2 record. Well, picking Elba for homecoming was the first mistake and starting the pregame festivities while the Tigers were still warming up on the field was the second. Anyway, the Monroe County students may have fun at the dance, but the Tigers were the only ones who had fun at the game as they romped to an impressive 35-15 win!

Elba's win over Monroe County last week was without a doubt the best game of the season for the Tigers. The offense clicked on all cylinders as the line dominated the action up front, the backs displayed both power and breakaway speed and the passing game was successful when needed, while over on defense the Tigers turned back Monroe County with a goaline stand in the second quarter and almost shutout the talented Monroe County squad, only to give up two scoring passes on fourth down plays. It was a win over a very talented opponent and a win that showed everyone, including the Elba players, what they can do when they all played their best.

The Elba offense moved the ball all night against the bigger Monroe County defense and did so with basic offensive plays that it had been using throughout the season. Nothing fancy, just hardnosed, power football! The running backs had another solid game as Greg Thigpen again showed both speed and power, Jamie Brockton displayed his strength up the middle and Marcus Tyson finally broke lose and scored on a long run. As good as the trio was, so was quarterback John Jacobs. Jacobs was on target all game with his passes, but was most impressive running the option. Jacobs had three big gainers running the football, the biggest of which was a 37-yard touchdown run when he cut back across the field and simply outran the Monroe County defensive backs. Whenever the backs pile up the yards you can bet the line is doing its job, and such was the case Friday night as Jim Goodson, Kyle Dubose, Todd Killingsworth, Tommy Young, Rusty Bodsole and Chris Tidwell all did their job and joined in on the celebrations when the backs reached the endzone. The offense had its best night of the year!

The Elba defense held Monroe County without a first down in the first quarter and really had to buckle its chin straps a little tighter when Monroe County tried to mount a comeback after falling behind 14-0. The defense did have a hard time tackling 220-pound Lorenzo Williams, but never quit hitting the big back and never let up, even when Monroe County had a first and goal at the 3-yardline. A score would have cut the lead to 14-7 late in the first half; however, the defense pushed the offense back to the 15 and could have very well made the plays of the game by keeping Monroe County out of the endzone. The defense bent, but never broke, and had outstanding efforts by Shane Blanton, Ronald McKinnon, Marcus Tyson, Ronnie Joe Edwards and Greg Thigpen.

The win over Monroe County was simply the best outing of the year for the Tigers and I hope that it was also a preview of things to come. The team has gone through some hard times this season, both on and off the field, and nothing soothes the pain like winning. Come on Tigers, keep up the good work!!!!

Container will promptly return your county permit(s) with a map.

the Coffee County as every one of the five schools in the county won, except Kinston, which lost to another county team, Elba had a big road win (see above), while Zion Chapel made it four wins in a row, New Brockton closed in on a playoff berth and Enterprise broke a long victory drought. Here is a look back at the best week of the season for all concerned -

ZION CHAPEL had to play without the services of Tracey Woods, but proved that it wasn't a one-man show up at Jack as the Rebels pounded Kinston 27-0. The Rebels upped their record to 5-3 with the win and are believed to convince everyone that they are for real. If the Rebels will keep on working hard and not just be satisfied with the wins, bigger things could be coming.

NEW BROCKTON proved that talk of its funeral plans were premature as the Gamecocks whipped Samson 13-7 to all but wrap up a trip to the 2A playoffs. The win over Samson improved New Brockton's record to 3-5, and while the wins aren't coming easy, they are coming and the Gamecock players seemed determined to salvage something out of the disappointing season.

ENTERPRISE needed a big win to help erase the pains of a losing season and got just that as the Wildcats clobbered winless J.O. Johnson 37-0. The Wildcats are going through some tough times, but are doing so with a lot of youngsters, and aren't exactly getting blown away. Something tells me that the Cats will be back with a vengeance real soon.

KINSTON saw its record dip to 0-8 with the loss to New Brockton and it looks like the Bulldogs are headed for a winless season, after posting back-to-back playoff years. The Bulldogs have already proven that they can compete in football and aren't just a one-sport school, this is just one of those years that the players have to forget.

WARNING! TIDE OFFENSE MAY BE "OFFENSIVE" TO SOME
I have been a Crimson Tide fan for years, but have to admit that the performance of the Alabama offense Saturday against Penn State may have been the worst I have ever seen at any level. The Tide was an offensive machine last season and returned an All-SEC quarterback in Gary Hollingsworth, but the new system installed has "Mal-functioned" in just about every game and last weekend it died on the field. Alabama's defensive coaches have done an outstanding job patching holes left by graduation and have created a defense as good as any, but unfortunately, the offensive coaches have taken an outstanding unit and turned it into one of the worst in the nation. I think "Moore" changes are needed!

CRUNCH TIME IS FUN FOR POLISH PROGNOSTICATOR

This is "crunch time" for high schools across the state as playoff berths are on the line in just about every game and fans are seen cheering their fingernails and checking out roadmaps. Well, Ye Ole Polish Prognosticator seemed unfazed by the pressure as he strolled into the office this week and declared that his "best was still to come." Only time will tell, but after missing 7 picks last week, a better week wouldn't hurt. For the year the guess-stand stands at 195-57, which I'll admit, ain't too bad!

Here are his picks for week #9 ...

ELBA VS. ANDALUSIA

Elba opened the season with a loss, then won two close games before

SPORTS

Elba's Coach Wood warns that Andalusia Bulldogs are much better than 2-6 record may indicate

The Elba Tigers will put their 10th game homefield winning streak on the line Friday night when they host the 5A Andalusia Bulldogs. The Tigers will bring a 6-2 record in to the annual battle with the Bulldogs, while Andalusia will enter the contest with a 2-6 mark. "Don't let Andalusia's record fool ya," warned Elba's Coach Mack Wood, "they have a good football team and when they put it all together they can be hard to beat. If they

Elba Midget Tigers finish season 6-2

The Elba Midget Tigers competed in a "Football Jamboree" last weekend in Red Level and won one and lost one to finish in a tie for third.

The Midget Tigers opened the jamboree with a 20-18 win over Florida, but then fell to Red Level 22-0.

This Saturday the Midget Tigers will compete in a jamboree in Kinston and will begin play at 11:00 a.m., against Florida.

"Whenever Elba and Andalusia get together they have hard hitting ballgames," said Wood, "and this year will be no different. If we play well and hard for the full forty-eight minutes we'll have a chance, but if we don't it could be a long night."

blowing out Opp. Another loss came in week #4, then the same ole story of two close wins and a blowout. If the pattern holds true, it spells another loss followed by some wins. I think it's time to break the pattern!

ELBA 20 ANDALUSIA 10

NEW BROCKTON VS. KINSTON

The Gamecocks are fighting for a spot in the playoffs, while the Bulldogs are fighting to break a long losing streak. This one may be closer than many believe, but in the end it will be another trip to the playoffs for New Brockton!

NEW BROCKTON 21 KINSTON 0

ZION CHAPEL VS. DOZIER
The Rebels can wrap up a playoff spot with a win over the winless Dozier Tigers and extend their winning streak to five games heading into the county small school championship battle with New Brockton. With a playoff berth on the line you can bet the Rebels won't be looking ahead!

PUTTING THE ICING ON THE CAKE ... SHANE BLANTON (40) bulls over the top of the Monroe County defense on the final play of the game. Blanton's 2-yard touchdown run capped off the Tigers big 35-15 win and gave the Tigers a 6-2 record heading into this week's battle with Andalusia.

ELBA QUARTERBACK JOHN JACOBS (15) is off and running on a 37-yard touchdown run during Friday night's 35-15 win over Monroe County. Jacobs rushed for 48 yards and passed for 42 to spark the Elba offense to its highest point production of the season.

Elba Tigers celebrate homecoming, again 35-15

The Elba Tigers proved to be anything but friendly guests Friday night at the Monroe County homecoming party as the Tigers dominated action from the opening kickoff to the closing minutes of the game.

The win upped Elba's record to 6-2, while 5A Monroe County saw its record slip to 4-4 with the loss. The two teams swapped punts to

ELBA'S RONALD MCKINNON (44) has his sights set on the endzone after intercepting a pass in the closing minute of play against Monroe County. The interception set up the Tigers' final score.

RONNIE JOE EDWARDS (55) sacks Monroe County quarterback Carlos Booker for a big loss. Edwards sacked the Monroe County quarterback three times in the 35-15 win.

open the game; however, the Elba offense was ready to move on its second series and drove 57 yards in only six plays to open the scoring.

An 18-yard run by Jamie Brockton was a big play early in the drive, while an 18-yard pass from John Jacobs to Ronald McKinnon gave the Tigers a first down at the Monroe County 20-yardline.

Jacobs was hit for a 3-yard loss

back to the 23, but the senior quarterback broke loose for a 10-yard gain on the next play, and on third and 3 Greg Thigpen took a handoff and barreled into the endzone for a 13-yard scoring run. Jamie Bass added the extra-point and with 4:46 left in the first quarter Elba had grabbed the early lead 7-0!

Monroe County failed to get a first down on its second possession and was forced to punt, with Elba taking over at the Tiger 36-yardline.

The offense was able to get a paydirt, but brimming with confidence after the early scoring march, and promptly drove 64 yards in 15 plays to extend the Elba lead to 14-0.

13-yard run by David Rowe gave the Tigers an early first down, while a 3-yard quarterback sneak by John Jacobs on fourth down and 1 at the Monroe County 41 kept the drive alive.

Greg Thigpen ripped off 30 yards on carries following the big fourth down play to lead the Tigers toward the Monroe County goal, while it was Jamie Brockton who got the touchdown on a 1-yard run. Jamie Bass again hit on the p.a. and with 7:42 left in the first half the Tigers had 14 points and Monroe County had yet to even make a first down!

The Monroe County offense came to life following the second Elba score; however, behind the running of 220-pound fullback Lorenzo Williams headed toward the Elba goaline.

Williams gained 51 yards in only 3 carries as Monroe County moved to a first and goal at the Elba 3-yardline, but the Elba defense toughened and three plays later Monroe County was facing a fourth and goal yard back at the 15!

Monroe County quarterback Carlos Booker was hit for a 2-yard loss on first down by Brian Reedy, while on second down a heavy rush resulted in a fumble and 3-yard loss and on third down Elba's Ronnie Joe Edwards sacked Booker back at the 15 to all but kill the scoring threat.

Monroe County's Jason Holmes attempted a 32-yard field-goal on fourth down, but it sailed wide to the left and when the teams went in at the half 48-seconds later, Elba went in with a 14-0 advantage.

The Elba defense stopped Monroe County on its initial two series of the third quarter, and with 4:41 left in the stanza the Elba offense came at the Tiger 31-yardline.

The drive started slowly, but when John Jacobs hit Ronald McKinnon for a six-yard gain on third down and 3 at the 38, the Tigers were again off and running!

An 18-yard pass from Jacobs to David Rowe moved the Tigers across midfield, and two plays later on third down and 9, Jacobs took the ball on an option, cut back across the field and outran the Monroe County defense to the endzone for a 37-yard touchdown scamper.

Jamie Brockton bulled over for

the two-point conversion, after a Monroe County penalty, and with 56 left in the third quarter the Elba lead had grown to a whopping 22-0.

Monroe County was down, but not about to quit, and took the ensuing kickoff and marched 56 yards in 10 plays to get on the scoreboard.

Lorenzo Williams gained 47 yards on 4 carries on the drive, which was climaxed on fourth down and goal when Carlos Booker tossed a six-yard scoring pass to Joey Downs. Jason Holmes added the extra-point and with 8:20 left in the game Monroe County was within striking distance at 22-7.

The score brought the Monroe County fans to their feet in hopes of a comeback victory; however, the hometown fans quickly sat back down as Elba needed only 3 plays to get back in the endzone and take a commanding 29-7 lead!

The Tigers put the ball in play at their 34-yardline following the kickoff, got an 11-yard run from Greg Thigpen on first down and one play later was back in the endzone as Marcus Tyson took a pitchout, cut across the field and faked out the final would be tackler on a spectacular 54-yard scoring run. Jamie Bass hit on the extra-point and with 6:34 left in the game Elba was back in control with a 29-7 advantage.

Monroe County went to the airways on the next possession, and behind the running of 10 passes to drive 74 yards for its second touchdown of the quarter.

Monroe County appeared to be stopped when it faced a fourth down

and 18 at the Elba 38, but Booker scrambled on the fourth down play and finally spotted Lorenzo Williams behind the Elba defense for a 38-yard scoring toss. Williams tossed a halfback pass to Altona Thames for the two-point conversion and with 1:28 left in the game Elba's lead was down to 29-15.

Elba emptied its bench on its next offensive series and failed to move, giving the ball back to Monroe County at the Monroe County 20-yardline following a 41-yard punt by Joel Kirkland.

This time the Monroe County air attack was quickly grounded as Elba linebacker Ronald McKinnon intercepted a pass and returned it 31 yards to the Monroe County 6-yardline with 45 left on the clock.

The Elba reserves wanted to score a touchdown of their own and did just that, as Shane Blanton bulled over from 2 yards out as the horn sounded to give Elba the impressive 35-15 win.

Greg Thigpen gained 74 yards on

Troy State Univ. Alumni Band To Celebrate 25 Years of Sound

The "Sound of the South" Alumni Band, under the direction of former national champion drum major Bruce Smiley, will celebrate 25 years of "Sound" under Dr. John M. Long's leadership during halftime activities at the TSU vs UT Martin football game Oct. 27.

The Alumni Band will make its 11th annual performance at TSU Homecoming. The band was the first such alumni band to organize and perform in the state of Alabama and since its organization numerous colleges and universities around the state have emulated the TSU Alumni Band.

According to Donna Reynolds, executive secretary and coordinator of the Alumni Band, former members of the "Sound of the South" from throughout the United States

returned each year to march with the Alumni Band and renew old college friendships.

"The excitement is still there for the band members even though some have not marched in many years." This year we have members coming as far away as Texas and New York. Drum major Bruce Smiley and color guard captain Andy Bullard are coming from San Antonio and Dallas, Texas respectively, to participate. Annette Colley Owen, of Opelika will lead the majorettes for the annual performance," Miss Reynolds said.

The Alumni Band is open to anyone who has ever marched with the "Sound of the South." Band members will report to Long Hall at 10 a.m. Saturday for practice and run through of the show.

Aaron, Ashley & Amelia Jones

Aaron-Ashley And Amelia Jones Celebrate Birthdays Recently

Aaron, Ashley & Amelia Jones, children of Lee and Lia (Lowrey) Jones of Enterprise, all recently celebrated birthdays.

Ashley celebrated her 5th birthday with a swimming party July 26 with a pool full of friends and relatives.

Amelia, 4, chose Showbiz for her birthday party, Aug. 30.

Aaron, 7, closed the party season with a karate theme skating party, Oct. 1.

Grandparents are Densby and Sylvia Lowrey of Rt. 2, Troy, and Charlie and Jane Jones of Enterprise.

Great grandmother is Maudie Lowrey of Rt. 2, Troy.

ESJC Mentors Named (L-R) Seated - Terry Warren and Nelson Logan, Samson; Stephanie Goodson, Zion Chapel; Gwen Smith, Coffee Springs; Kneeling - Terri Hahn, Enterprise; Eva Rousseau, Hartford; Bart Benson, Ozark; Kelly Watts, Enterprise; Jack Williams, Opp; Standing - Vickie Sims, Wicksburg; Jeannie Jacobs, Arton; Deidra Kendrick, Enterprise; Gina Tucker, Kinston; Lewis Ray, Enterprise; Agnes McKinney and Shannon Helms, Ozark; and Joel Thomley, Wicksburg. Not pictured are: Shae Smart, Enterprise; Jamie Bortak, Birmingham; and Nicole Smith, Coffee Springs.

Holiday Oversea Mail Information

With Christmas just around the corner, it's time to get packages destined for overseas on their way.

To ensure packages and letters reach their overseas destination in time for the holidays, surface mail or fourth class should be mailed no later than Nov. 8.

However, there's ample time for first class or airmail packages to be mailed and received before the holidays.

Latest dates to ensure delivery before Christmas:

Destination	Surface/Fourth Class	Airmail/First Class
Alaska	Nov. 1	Dec. 15
Hawaii	Oct. 15	Dec. 15
Europe	Oct. 13	Dec. 1
Mid-East	Oct. 13	Nov. 16
Southeast Asia	Nov. 8	Nov. 16
Far East	Oct. 15	Dec. 1
Central America	Nov. 2	Dec. 1

Postal patrons should contact the post office for more information on package restrictions and regulations that apply to certain countries.

Mark Bowers to Present Recital At Southwestern

Mark Bowers, a master of music student, will present a voice recital at Southwestern Baptist Theological Seminary at 4 p.m. on Nov. 15, 1990.

Bowers, a 1986 graduate of Samford University, is the son of Tony and Ann Bowers of Elba, Ala.

The recital will include works of Purce, Handel, Schubert, McAffee, Sjolund, and Husted.

The public is invited to attend the recital in Reynolds Auditorium of Cowden Hall, located on the north-eastern corner of the campus at 2001 W. Seminary Drive.

Southwestern's school of church music provides graduate professional education for men and women preparing for Christian ministry. The school is the largest theological seminary in the world and an accredited member of the National Association of Schools of Music.

ROUND AND ABOUT WITH ERIA - 897-2006

Save me, O God! for the waters
are in deep mire, where there
is no standing: I am come into
deep waters, where the floods
overflow me.

I am weary of my crying: my
throat is dried: mine eyes fail
while I wait for my God.

They that hate me without a
cause are more than the hairs of
mine head: they that would de-
stroy me, being mine enemies
wrongfully, are mighty: then I re-
stored that which I took not away.

O God, thou knowest my fool-
ishness; and my sins are not hid
from thee.

Let them that wait on thee, O
Lord God of hosts, be ashamed for
my sake: let those that seek thee
be confounded for my sake, O God
of Israel.

Psalm 69: 1-6

LEGAL NOTICES

FORECLOSURE NOTICE
Default having been made in the pay-
ment of the indebtedness described in
and secured by that certain mortgage ex-
ecuted by Terry W. Hudson and Phyllis
Hudson to Colonial Mortgage Company
dated the 27th day of December, 1989
and recorded in Real Volume 90-A, page
685 of the records in the Office of the
Judge of Probate, Coffee County, Ala-
bama, notice is hereby given that the un-
designed will on November 27, 1990,
under power of sale contained in said
mortgage, sell at public outcry for cash
to the highest bidder, during the legal
hours of sale, on the 9th day of Novem-
ber, 1990, at the Courthouse of Coffee
County, Alabama, the following de-
scribed real property in the County of
Coffee, State of Alabama, being the
same property described in the above re-
ferred to mortgage:

A lot or parcel of land located in the
City of Elba, Coffee County, Alabama,
and being more particularly described as
follows: Commencing at a point where
the back of the sidewalk on the West
side of Cordelia Street (Extended) inter-
sects the back of the sidewalk on the
South side of Purnett Street; thence S86
degrees 30' 00" E along the back of the
sidewalk on the South side of Purnett
Street 100.00 feet to the Point of Begin-
ning; thence continue along the back of
the sidewalk on the South side of Purnett
Street S86 degrees 30' 00" E for 75.0
feet to a point; thence S33 degrees 30' 00"
E for 273.0 feet to a point; thence N60 de-
grees 16' 00" E along said line for 86.0
feet to a point; thence N4 de-
grees 01' 00" E for 225.0 feet to the
Point of Beginning. Said property be-
ing located in the NE 1/4 of the NW 1/4,
Section 17, T2N, R20E, and containing
0.47 acres, more or less.

Said sale is made for the purpose of
paying the said indebtedness and the ex-
penses incident to this sale, including a
reasonable attorney's fee.

Colonial Mortgage Company
Holder of said Mortgage.

Preparing Apples For Drying

Angela Hughes - County Agent

Select only high quality, fully ripened apples for drying. If the apple isn't suitable for eating fresh, it isn't suitable for drying.

Wash, peel, halve and core, and slice apples three-sixteenths of an inch thick. To keep your apples from turning dark, here are several choices of pretreatments.

Dip apples for two minutes in either canned pineapple juice, cranberry juice or orange juice and place on drying rack. Also a lemon juice dip using one-fourth cup lemon juice to two cups of water can be used.

Soak apples for about five minutes in solution containing one teaspoon sodium bisulfite per gallon of water. Avoid breathing the fumes when sodium bisulfite is mixed with water.

After pretreatment, apples can be sprinkled with cinnamon or a flavored gelatin.

Operation Desert Shield

With the current call up and the deployment of units to the Middle East, many families are facing the separation. For others, this separation is already a reality.

Families in either situation need to recognize the three stages involved in this kind of separation. The first involves the anticipation and preparation for separation. In

this stage, legal chores, such as updating wills, making sure powers of attorney are in effect, making any necessary changes in living arrangements and decisions about allotments, need to be made. Discussions about things such as household appliances and car maintenance will help the spouse to handle these details with the least amount of stress.

The couple also needs to discuss and decide how they wish to communicate with each other while they are apart. Think ahead about any decisions involving children that will have to be made by the parent at home.

The second stage is the separation itself. Along with the sadness and feeling of loss, there will be the worry about the well-being of the absent spouse. There may also be the anger for being left alone, frustration at having to cope with the loose ends and day-to-day decisions, and relief at being able to do things your way.

All of these are normal. Along with many of these same feelings the departed spouse will also have the additional stresses of whatever the military demands bring. The third stage is reuniting. During the time apart, roles and people will change and attention must be given to reestablishing the family, taking into account the changes which have taken place.

Farm News With Richard Petcher

Assistant County Agent

National Peanut Festival Fair Exhibit

Be sure to see the 4-H, FFA and FFA exhibits at the Peanut Festival. The theme of it is "Tribute to the Peanut Farmers." The various schools, clubs in the Wiregrass have set up these exhibits for your enjoyment.

Mrs. Susie Farris and Mrs. Jan Ballard have done an excellent job designing and setting up the Coffee County 4-H exhibit. I want to thank them for their leadership and enthusiasm. It is people like them who make 4-H and so many other activities in Coffee County possible.

Wildlife Field Day

The Coffee County 4-H Wildlife Field Day will be Monday, November 12, from 8:00 a.m. until 4:00 p.m. at Camp Allato (Boy Scout Camp) out of New Brockton. The cost will be \$5.00. You will need to bring a picnic lunch (we'll furnish drinks and a light snack).

The activities will be hunter safety, skeet, rifle, archery, tasting wild game and an Indian soft walk. If you have never shot a 22 rifle, shotgun or bow and arrow, this wildlife day will be a good opportunity for you to learn. If you already have some experience, this will be a good time to improve your skills.

The event is sponsored by Capt. John Gargis and the Coffee County Extension Service. Again, I want to

thank the many leaders in our community who make these events the exciting and worthwhile events they are.

4-H is for youth between the ages of 9 and 19. Please call the Extension Office at 894-5596 before November 1 if you plan to attend. This will be very important. We have to know how many people to plan for and for us to send you a health card to be signed.

Broiler Litter vs. Commercial Fertilizer Produces Earlier, Larger Tomatoes

The use of poultry litter as a fertilizer for vegetable crops is becoming more popular due to public concern over the use of inorganic fertilizers and the poultry industry's efforts to find environmentally sound ways to dispose of large amounts of waste. Results of recent Alabama Agricultural Experiment Station research indicate that poultry litter is an ideal fertilizer for vegetable crops. Application of 10 tons per acre of poultry litter produced about 11,629 pounds per acre more tomatoes, and these were harvested earlier than tomatoes grown using commercial fertilizer. In addition to increased yields and earliness, other benefits of using poultry litter on vegetable crops include better water holding capacity, increased aggregation, and improved soil structure. The litter is also a good source of major and minor nutrient elements.

Children's Farm Animal Exhibit - Mary Culbert, left, and Kellen Cole, right, are among the Coffee County school children looking forward to the Children's Farm Animal Exhibit to be held Thursday and Friday, Nov. 1 and 2, at the New Brockton Farm Center. For more information on the no-charge Coffee County Farm Week exhibit for children, call the Coffee County Extension Office at 894-5596. (Courtesy Photo)

Mailing Gifts Safely

Sandra Coffey-County Agent

Most Gifts are perfect gifts for many friends and relatives. But, poorly packaged and handled food gifts can be a big mistake - especially if they carry a food-borne illness.

Most food can be mailed through the U.S. Postal Service or private carriers. Just follow the proper guidelines, such as canned fruits and vegetables, in sturdy containers. Perishable foods, on the other hand, require special attention. Meats, poultry, and foods that contain eggs must remain very cold, below 40 degrees F, to avoid bacterial growth. Also, any canned or processed food that is labeled Keep Refrigerated must be kept cold.

The first step in sending a food gift is to find a sturdy mailing container. A suitable container will fit the amount of food you are sending with just enough space to add the cold source. The container should be sturdy enough to withstand rough handling. The container should also maintain the cold temperature needed. Small, sturdy styrofoam coolers with thick walls work well for shipping food gifts. Coolers may be taped or tied shut and even over-wrapped with thick plastic.

Include a cold source with the food to keep it cold. Dry ice is the best cold source, but check with the carrier before wrapping the gift to see that the carrier allows dry ice.

The packaging and the cold source you select will be decided by the carrier you choose to deliver the gift. Perishable foods should arrive still firm and cold to the touch. Use overnight or express delivery to get

the food delivered as soon as possible. Labeling the package Perishable or Refrigerate Upon Arrival lets the delivery person and the receiver know that the package requires special attention at once. Always let the people know to whom you are sending the gift know that a surprise that needs immediate attention is in the mail. Cold gifts sent to an office address may get dangerously warm if the receiver is out of town or otherwise unavailable. For a special surprise, you might contact a person in the receiver's town to accept the gift and deliver it locally.

Mail-order companies offer various food gift packs that could solve your packaging problem. Although more expensive, mail-ordering places the responsibility of the food arriving safely with the company. Most large-volume, mail-order food gift companies do a reputable job delivering foods safely.

Double Check For Safety:
*Check on the cold source to make sure it will be sufficient.
*Make sure foods labeled Keep Refrigerated are very cold (below 40 degrees F).

*Be sure the outside of the package is labeled Perishable.
*Send the gift only if you know someone will be at the address and prepared to receive it.
Mailed safely, foods make wonderful gifts for friends and family. The results can be unpleasant, however, for those receiving the gifts packaged improperly. Take that little extra care and make those gifts of food and joy to receive instead of a disappointment.

State Senator E.C. "Crum" Foshee

Making the difference

The people of District 31 need to keep a senator who brings home our district's share of state services and programs. Crum Foshee is a proven leader who has done more for our area than any legislator in recent history. Consider what he has done for our district during his 20 years as this area's legislator.

CRUM FOSHEE HAS:

- Brought millions in highway improvements to our district and has secured \$150 million more to be used over the next five years.

- Secured highway projects in Coffee, Covington, and Escambia counties, including 15 new bridges on Highway 29 South, the improvements on Main Street in Enterprise and additions to the Enterprise Bypass. In addition, he provided for the four and five laning of Highway 29 North in Andalusia and Highway 84 West.

- Obtained millions in funds for Enterprise State, Lurleen B. Wallace and Jeff Davis junior colleges, Atmore Trade School and MacArthur Technical

Now, more than ever, District 31 needs the leadership that Crum Foshee has provided. Transportation, Education, Jobs, Taxes, and Care for Our Elderly - Issues too important to take chances on.

College. Crum is committed to quality education.

- Led the effort to quickly secure \$100 million in funding for disaster aid during the March flood in our district.

- Secured a \$100 million bond issue and funds to improve the mental health facilities in our district.

- Led the program to secure \$2.5 million from a \$45 million statewide bond issue to fund Coffee, Covington and Escambia counties' health departments.

- Worked to improve the business climate in our district through innovative legislation. He has

provided for the construction of industrial access roads from the manufacturing plants within District 31.

- Worked to ensure that the special needs of the elderly are met. It isn't welfare to care for the needs of those who have done so much and now live on fixed incomes.

- Continually worked to ensure the success of District 31 farmers.

Crum was a farmer; he is aware of the needs of the farmers and will continue to work with our congressmen to carry the farmer's needs to Washington, D.C.

- Pledged to help keep taxes low through the continued growth of business and industry, building a strong tax base.

Crum Foshee has proven his dedication to serving his neighbors. Look around and you can see the results. He is an honest, hard working man who has always been dedicated to his district responsibilities.

Proven Leadership

Senator Crum Foshee is aware of the responsibility to participate in the decision making processes of legislative committees. He is a member of the following committees:

Standing Committees:

- Chairman - Business and Labor Relations
- Member - Rules Commerce, Transportation and Utilities
- Natural Resources
- State Development and Tourism

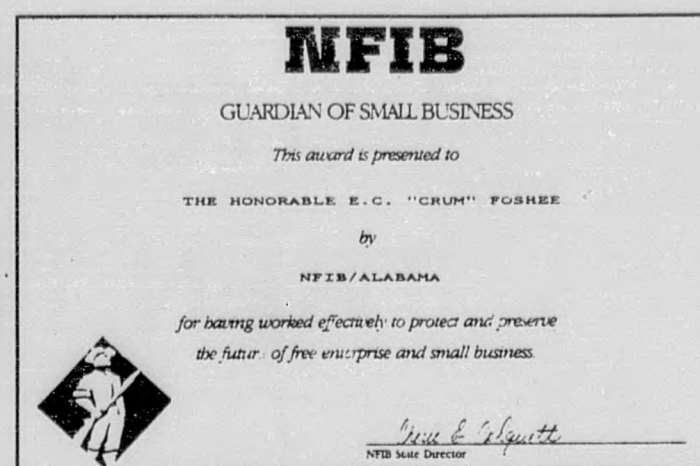

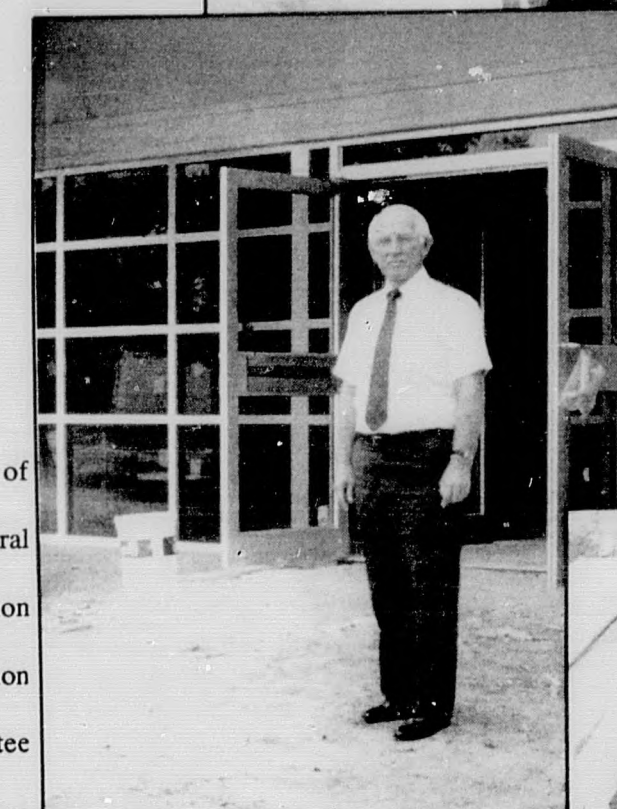

Local Legislation No. 1

Interim Committees:

- Chairman - Permanent Joint Highway Committee
- Member - Legislative Council (elected by members of Senate)
- Legislative Oversight Committee of Agricultural Development Authority
- Legislative Advisory Committee on Education
- Employees' Health Insurance Board
- Joint Committee on Administrative Regulation Review
- Commerce, Labor and Regulation Committee (NCSL)

Legislative Oversight Committee of the Department of Economic & Community Affairs

- Southwest Regional Energy Council
- Permanent Joint Committee to Study Oil and Gas
- Select Joint Committee on Insurance
- Committee to Study Tax Structure
- Joint Legislative Committee to Advise Alabama Congressional Delegation on Textile Industry
- Alabama Legislative Congressional Advisory Committee on Farm Programs
- Transportation Committee (SLCCSG)
- Senate Interim Committee on Senate Rules

VOTE FOSHEE FIRST! THEN THE REST

Sitting and voting is not enough. An effective Senator must understand the rules by which the Senate operates so that he can use those rules to the advantage of the people he represents. An effective Senator must have the courage to tackle whatever problems face his people.

I believe I have that courage and the knowledge of the legislative process to get the job done for the people of this district.

I humbly ask for vote and support on November 6.

Crum Foshee

The Alabama Retailers Association
110 E. Third Street
Andalusia, AL 36420

Dear Senator Foshee:

Just wanted to wish you the best in your campaign. Your leadership over the years on several pieces of legislation has been greatly appreciated, and only by the retail community's leadership in your continued activity, but by the leadership of all the citizens in Alabama.

I can't think of a single piece of important legislation that the retail community has sponsored in the past 10-15 years that you have not played a major role in its passage.

In behalf of all the retail community's leadership in our state, just want to say thank you.

Sincerely,
Charles McDonald
Executive Director

To Whom It May Concern:

The Alabama Nursing Home Association would like to wholeheartedly endorse Senator Crum Foshee for re-election to the Alabama State Senate.

Senator Foshee has been a long and valued friend of the nursing home industry. In past legislative sessions he has been a leader in obtaining enhanced funding for Medicaid. He also demonstrated his understanding of the need for slow, steady growth in the health care industry by supporting the continuance of Certificate of Need requirements.

Senator Foshee's voting record shows him to be a champion in causes for the aged. He understands our industry and the need to provide quality health care for our elderly.

Sincerely,
Margaret T. Patrick
Executive Vice President

Crum Foshee Represents ALL Interests in District 31 ... Including Yours!

Alabama Retailers Association
110 E. Third Street
Andalusia, AL 36420

Senator Crum Foshee
110 E. Third Street
Andalusia, AL 36420

Dear Crum:

Your sponsorship of the Responsible Vendor Act in the 1990 Regular Session of the Legislature was most helpful to retailers and to your constituents in Senate District 31.

This bill was aimed at helping to eliminate sales of alcoholic beverages to underage persons, such sales are a concern of retailers, parents, law enforcement officials and the public.

By sponsoring this legislation, you took an active and positive step in helping to prevent the problems such sales to underage persons can cause in all.

Thank you for your hard work in achieving passage of this important bill.

Sincerely,
Charles McDonald
Executive Director

PROGRESS PAC
The Political Action Committee of the Business Council of Alabama

ProgressPAC Endorses
Senator Crum Foshee in General Election

MONTGOMERY, Ala., October 9 -- Senator Crum Foshee has received the endorsement of ProgressPAC, the official political action committee of the Business Council of Alabama (BCA).

According to ProgressPAC Chairman Winton Blount III, "We are proud to wholeheartedly endorse Senator Foshee in his re-election campaign."

"He understands that promoting and protecting Alabama's business climate helps create jobs and prosperity for all Alabamians. Senator Foshee's voting record, an outstanding 85%, reflects consistent support for a strong free enterprise system and economic growth and development in our state," Blount added.

Senator Foshee represents Senate District 31, which includes Coffee, Covington and Escambia Counties.

ProgressPAC is the official political action committee of the Business Council of Alabama. BCA represents over 2,200 businesses and industries throughout Alabama. It is a non-profit, statewide organization serving as "one strong voice" for business and industry in Alabama.

Crum Foshee ... Leadership Through the Years

ANDALUSIA
STAR NEWS
SEPT. 9, 1971
Four-Lane Road Okayed

The four-lane road, between Andalusia and River Falls, has received both state and federal approval and will be erected in the near future.

This was announced Wednesday by State Senator Crum Foshee, of Red Level, who said that State Representatives Frank Jackson, of Opp, and Fred Wray, of Kinston, were joining him in the statement.

Senator Foshee said highway authorities "declined to say just when steps will be taken to secure the right-of-way and proceed with the four-lane of the 2 and one-half mile link."

It may be another several months before actual construction can get under way, but Foshee declined to speculate over whether the green light will come first for the new road from River Falls to McKenna, or the four-lane road between Andalusia and River Falls.

Both road improvements will provide the Andalusia area with a speedy and easy access to Georgia with Interstate-65, the super-road to both Montgomery and Mobile.

ANDALUSIA
STAR NEWS
JAN. 31, 1973
Congratulations Crum Foshee

Our congratulations to State Senator Crum Foshee on his recent appointment to the powerful Senate Finance and Taxation Committee by Lt. Governor Jerry Beasley.

Foshee has compiled an enviable record in Montgomery, working in behalf of the citizens of Covington County, and this latest appointment will afford him a number of other opportunities to be of assistance to this area and its citizens in the years to come. He was already serving on a number of Senate standing committees, including serving as chairman of the Commerce, Transportation and Common Carriers, and membership on Education, Agriculture, County Government and Local Legislation committees. Senate interim committee membership includes legislative, we are confident, with him taking later Governmental Cooperation, Chairman of active participation in this and other the Study Committee on the Capital Parking Complex and a member of the Alabama are in for a bright future.

Lurleen B. Wallace Junior College Plans Opening Ceremonies Today

By COLIN (Buster) MacGILL

It was fortunate that the Bethune School was being closed out at this time, making it available for a complete setup for the first year of operation. Included at Bethune are of temporary headquarters, the old Covington County Bank building. Faculty members and administrative assistants, in addition to the president, include: James L. Smith, registrar; James T. Siler, business manager; Miss Sandra King, librarian; Mrs. Grace Briggs, speech; C. W. Wiley, art; James C. Donaldson, chemistry and physics; John Merrill, English; Winston Moody, math; Harry Blocker, data processing; Dan Strang, interior design; and Curtis H. Thomason, computer.

McWhorter said that some 215 prospective students have inquired and that they will register English; Winston Moody, math; Harry Blocker, data processing; Dan Strang, interior design; and Curtis H. Thomason, computer.

The new building has not been completed, McWhorter noted. English, history, math, psychology,

Crum Foshee inducted into Senior Citizens Hall of Fame

The National Senior Citizens Hall of Fame, located in Everett, Wash., announced the induction of state Sen. E. C. "Crum" Foshee.

Foshee is among few to become a member of the National Senior Citizens Hall of Fame since its inception in 1975.

Director of the National Senior Citizens Hall of Fame Joe Kappler emphasized that Foshee was chosen to be in the Hall of Fame because of his vigorous work and support of senior citizens over the years.

Kappler also stated that Foshee is one of only 400 across the U. S. to ever be inducted.

"The outstanding work performed by Senator Foshee makes life more meaningful for our elder citizens," Kappler said.

Foshee said, "This is indeed a great honor of which I am very appreciative."

"Enough can not be done to help our senior citizens. I pledge to support them in any way I can."

Wallace rally for funds set at Red Level

RED LEVEL, Ala. (AP) — Hank Snow will entertain and plenty of barbecue will be ready for the 20,000 persons who are expected to attend a campaign raising affair for Gov. George C. Wallace here June 17.

State Sen. E. C. "Crum" Foshee, rally organizer, said three governors and top officials in four Southern states are planning to attend. He said firm commitments have been received from Georgia Gov. Jimmy Carter, Mississippi Gov. William Waller, former Mississippi Gov. Ross Barnett and U.S. Rep. Bob Sikes of Florida.

Alabama officials attending include Acting Gov. Jerry Beasley, U.S. Sen. John Sparkman and Jim Allen and top officials of Wallace's campaign for the Democratic presidential nomination.

Joining Snow and his band in the entertaining will be George Wallace Jr.

Foshee said it was hoped that some \$20,000 would be raised by the rally in Red Level.

NOTICE OF
ADVERTISER
OCT. 18, 1969

Re-elect
E.C. "Crum" Foshee
State Senator

Dear Friends:

Why do I want to serve another term the Alabama State Senate? The best part of my life has been serving my fellow man in the Alabama legislature. Getting things done for the people of this area has been my life for over 20 years.

It is my belief that I am better qualified now than ever before and I want very much to see our area progress. I believe the knowledge I've gained belongs to the people and I could not live with myself if I didn't ask to use that knowledge and experience to make this area a better place to live, work, play and worship.

It has taken a long time for me to get into a position to be able to do more for this area and I believe, if given the chance, I can do things that people that I've wanted to do for these many years. The people gave me another chance some years ago. I lost the opportunity to finish the things that people told me needed doing for this area. The people gave me another chance and I've done a good job. I've made some mistakes along the way and maybe sometimes I've tried too hard, but those who don't try never make mistakes.

Crum Foshee is not important, but what I believe I can do for our area is important. I believe the experience I've gained will allow me to see that the views of the people of this area will certainly be heard and that we will receive our share of the goods and services of our state government. We have many problems to face in the coming years and I ask to be allowed to continue to work for all our people toward solving those problems.

Sincerely,
Crum
E. C. "Crum" Foshee
